INDOOR and OUTDOOR CLOCKS

Bright sunshine shows up all the dirty and damaged clocks that infest so many buildings and offices.

We can supply a reliable range of nice clean, accurate (some radio controlled, receiving the MSF signal from the National Physical Laboratory in the UK) commercial clocks in a variety of sizes and styles (including digital). Plastic cased clocks are available with either **battery quartz** or **radio controlled** movements.

24 Hour Dial Clock

Similar in design to the Shepherd clock at the Greenwich Observatory, which was the first clock to show Greenwich Mean Time to the public in the 1850s. The clock has a special 24 hour quartz movement with a 300mm dia aluminium case and dial

Teaching Clock 2150

Suitable as both a wall clock and front of class teaching clock with a front knob that can be used to adjust the time.

Packs of Teaching dials for use in the classroom also available.

Plastic Cased Wall Clocks

Sizes 255mm up to 610mm (10" to 24")
